Dear Sir or Madam:

This letter will serve as a 30-day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 that NBTY Inc. is using the following statements on our Saw Palmetto supplements under the Naturalist label:

- Supports Prostate Health
- Saw Palmetto is an extract derived from the berry of the Saw Palmetto tree, and is specially designed for a man's prostate health.
- Saw Palmetto also helps support urinary function in mature men.
- With all of these beneficial qualities, it's no wonder that Saw Palmetto is one of the leading herbs for men's health, especially in later years.
